as a tentative measure for 6 months, from 1st august
1894, I am directed to forward for the information and orders of Government, Letter no. 251
dated 24th November 1894, from the District Judge,
nagar Division, recommending that the Sub Court
may be made permanent.

2. I am to state that the Chief Judge and
Mr. Justice Krishna Murti are of opinion that the
Court may be retained for a further period of
six months, after which it might be decided as
to what should be done. Mr. Justice Ramachandra Iyer

however, Considers that a Sub Court at Shimoga is a luxury, and that the District Judge should be thankful that so much relief has been given him by Government. He is not, he says, in favor of further indulgence being shown. In this opinion, however, the Chief Judge and his other Colleague do not agree, having regard to the existing files of both the District and Sub Courts.

3. I am to request that Government may be pleased to Sanction the retention of the Court for a further period of 6 months, as the time fixed by the Notification of 29th June will expire on 30th January 1895.

I have the honor to be,
Sir,
